

2026 Wilder Farm CSA sign-up and member agreement

Reserve your share for the season by filling out the form below and mail/email/deliver it to us before the season starts in June. This year, we will have a 12 week Summer CSA that runs from June 23rd--Sept. 16th (with one week off at the end of July). For a number of reasons, we have decided not to do a Fall CSA this year. **The cost of your CSA is due in full when you pick up your first share the week of June 23rd.** Checks (payable to Wilder Farm) or cash accepted. Credit card payments are available on our website, and will incur an additional 3% service fee.

☐ Summer Share--Small: 12 weeks (June-Sept) \$288

Please Mail to: **Wilder Farm**
Attn : Jess Simpson
129 Simpson Drive
Lyndonville, VT 05851

Member Agreement: Community Supported Agriculture is an agreement between farmers and members. Members invest in the farm by paying some of the up-front costs of production, while enjoying the bounty of the season. Farmers work to ensure an abundant harvest. Both farmers and members share the risks associated with a growing season. Our goal is to provide you with the full value of your share each week, as well as pick-your-own flowers and herbs. However, sometimes there are events that are out of our control, and crops can be impacted by extreme weather, insects or disease. By signing, you agree to assume the risks and rewards of membership.
